

MAKE YOUR OWN BODY PUZZLE

MATERIALS NEEDED

- Colour pencils
- Scissors
- Safety tweezers or chopsticks

METHOD

1. Colour in the pictures of the organs and cut them out
2. Wash your hands and put on your surgical mask and surgeon's gown.
Hint: use an apron or painting smock
3. Use safety tweezers or chopsticks to pick up the organs and place them in the right place on the body
4. Can you fill in the missing letters for each organ?

MORE: Do you know what each organ is used for? Look it up!
